

Zoo Investigation

Group Focus: **HEAD**

 What do you observe about the eyes, ears, and nose?

 What else do you notice about the animal's head?

 What sizes and shapes do you see? What colors and patterns do you see?

Zoo Investigation

Group Focus: **BODY**

 Describe the size and shape of the body.

 What colors and patterns do you see?

 What body covering do you notice on the animal (fur, feathers, scales)?

Zoo Investigation

Group Focus: **FEET**

 Describe the animal's feet (claws, hooves, paws).

 What sizes and shapes did you see in the feet?

 How many legs did you see? Describe their colors and patterns.
