## Animal Experiences

### **Animal Ambassador Meet and Greets – \$250 per animal per 30-minute session**

Meet some of our most charismatic Animal Ambassadors and get to chat with some of our zookeepers about our furry, scaly, or feathery critters! Our Animal Ambassadors participate in training demonstrations and pop-up animal demonstrations; you'll learn from our experts about the unique personalities and characteristics of each

amazing individual! With zookeepers in charge of your adventure, every experience is different. We cannot guarantee a specific animal, but every possible combination is pretty...well...WILD.

### **Private Giraffe Feeding - \$450 for up to 30 people**

For some of our smaller groups, we are able to offer a personal and unique experience with our 3 reticulated giraffes. Join our amazing herd (including our youngest giraffe and resident class clown, Dobby) for an exciting and exclusive up-close feeding! With this special and intimate experience, you'll have the opportunity to "buy out" a giraffe feeding for up to 30 people. Our knowledgeable giraffe experts will be on hand to help you get to know each member of the herd as you learn about their unique personalities and biology—including their prehensile tongues, 25-pound hearts, and adorable ossicones.

### **Reserved Elephant Demonstration Seating - \$150 for up to 50 people**

For groups up to 50 people, we are able to reserve the first two rows of our Toyota Elephant Passage McGrath Family Amphitheatre!
