1. Main Entrance
2. Flamingo Gate

# H COLORADO OLIDAYS

**There's no place to celebrate the  
season like the Rockies.**

Conservation begins at home. Take a moment  
to appreciate the beauty and wildlife of your  
own backyard, right here in colorful Colorado.

Feel the familiar coziness of the Front Range  
before tonight's journey takes you to  
wondrous new places.

# W HIMSICAL WONDERLAND

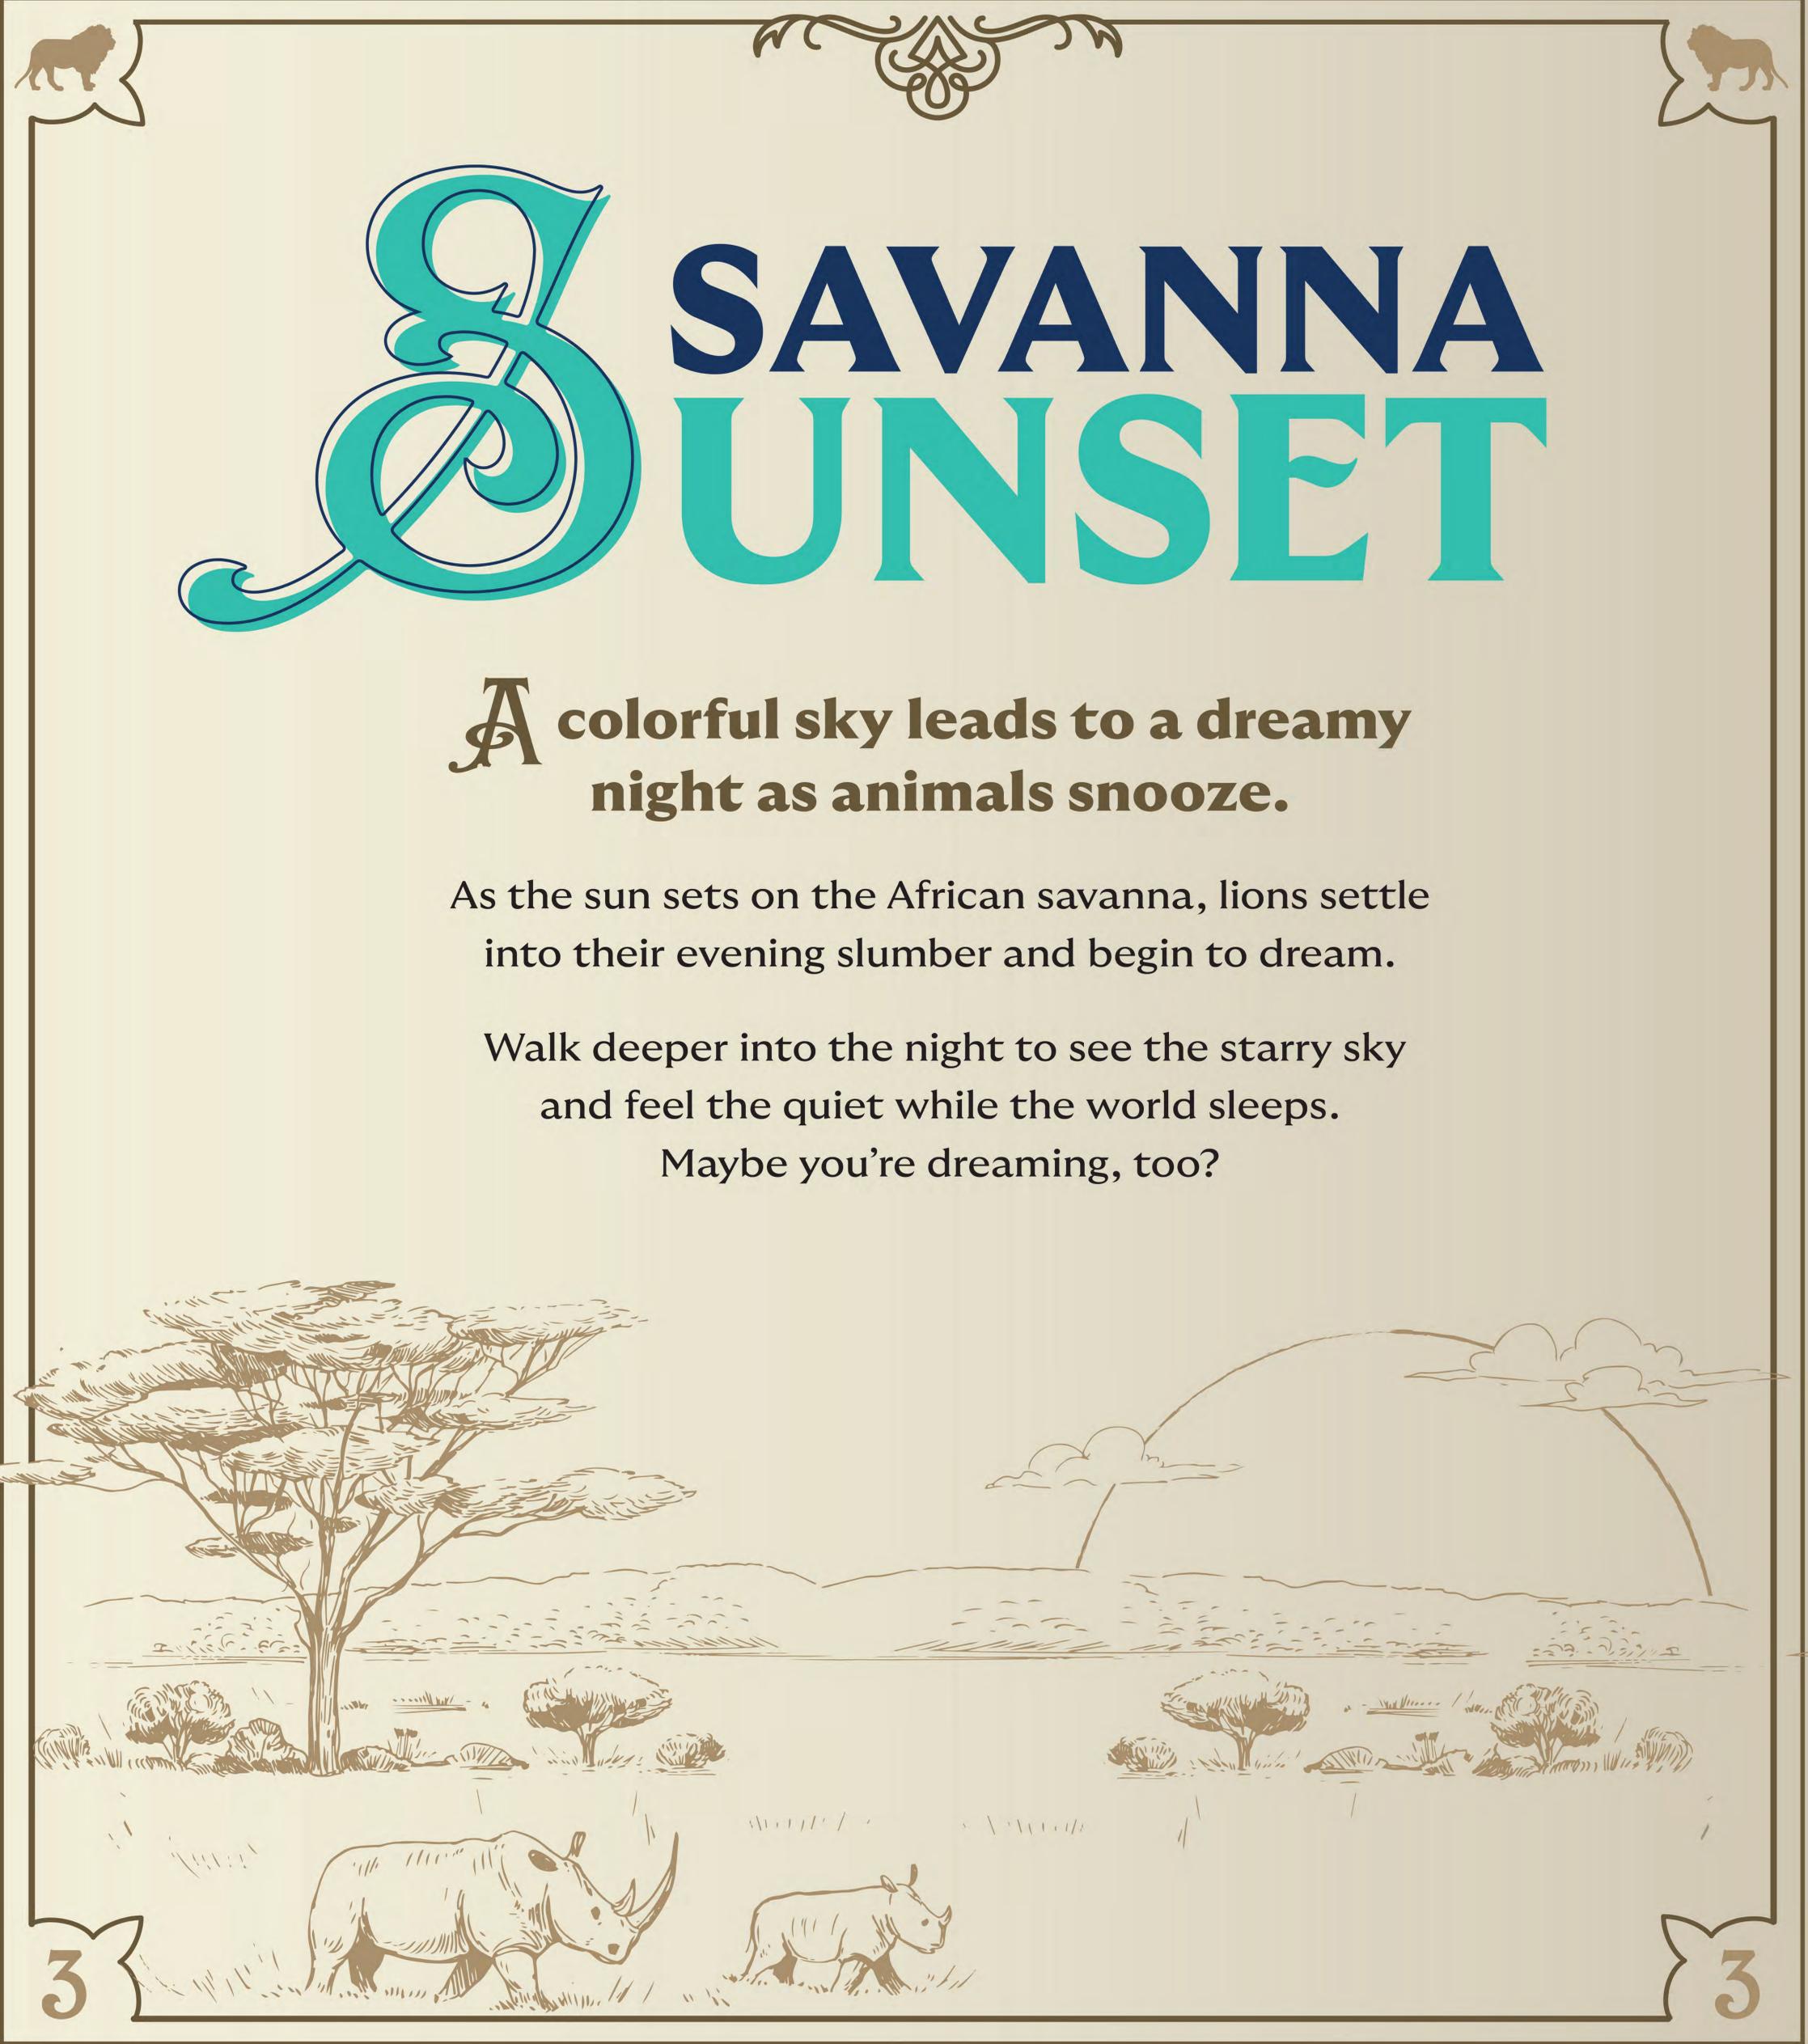

*Step into the magic! You never know where it might take you...*

The holidays have arrived, and a unique magic fills the air.

Here we celebrate the end of one year and welcome the start of another, giving gifts to loved ones and embracing all species, large and small.

Let the lights whisk you away on a journey around the world, feeling the enchantment across land, air and sea.

# **S** SAVANNA UNSET

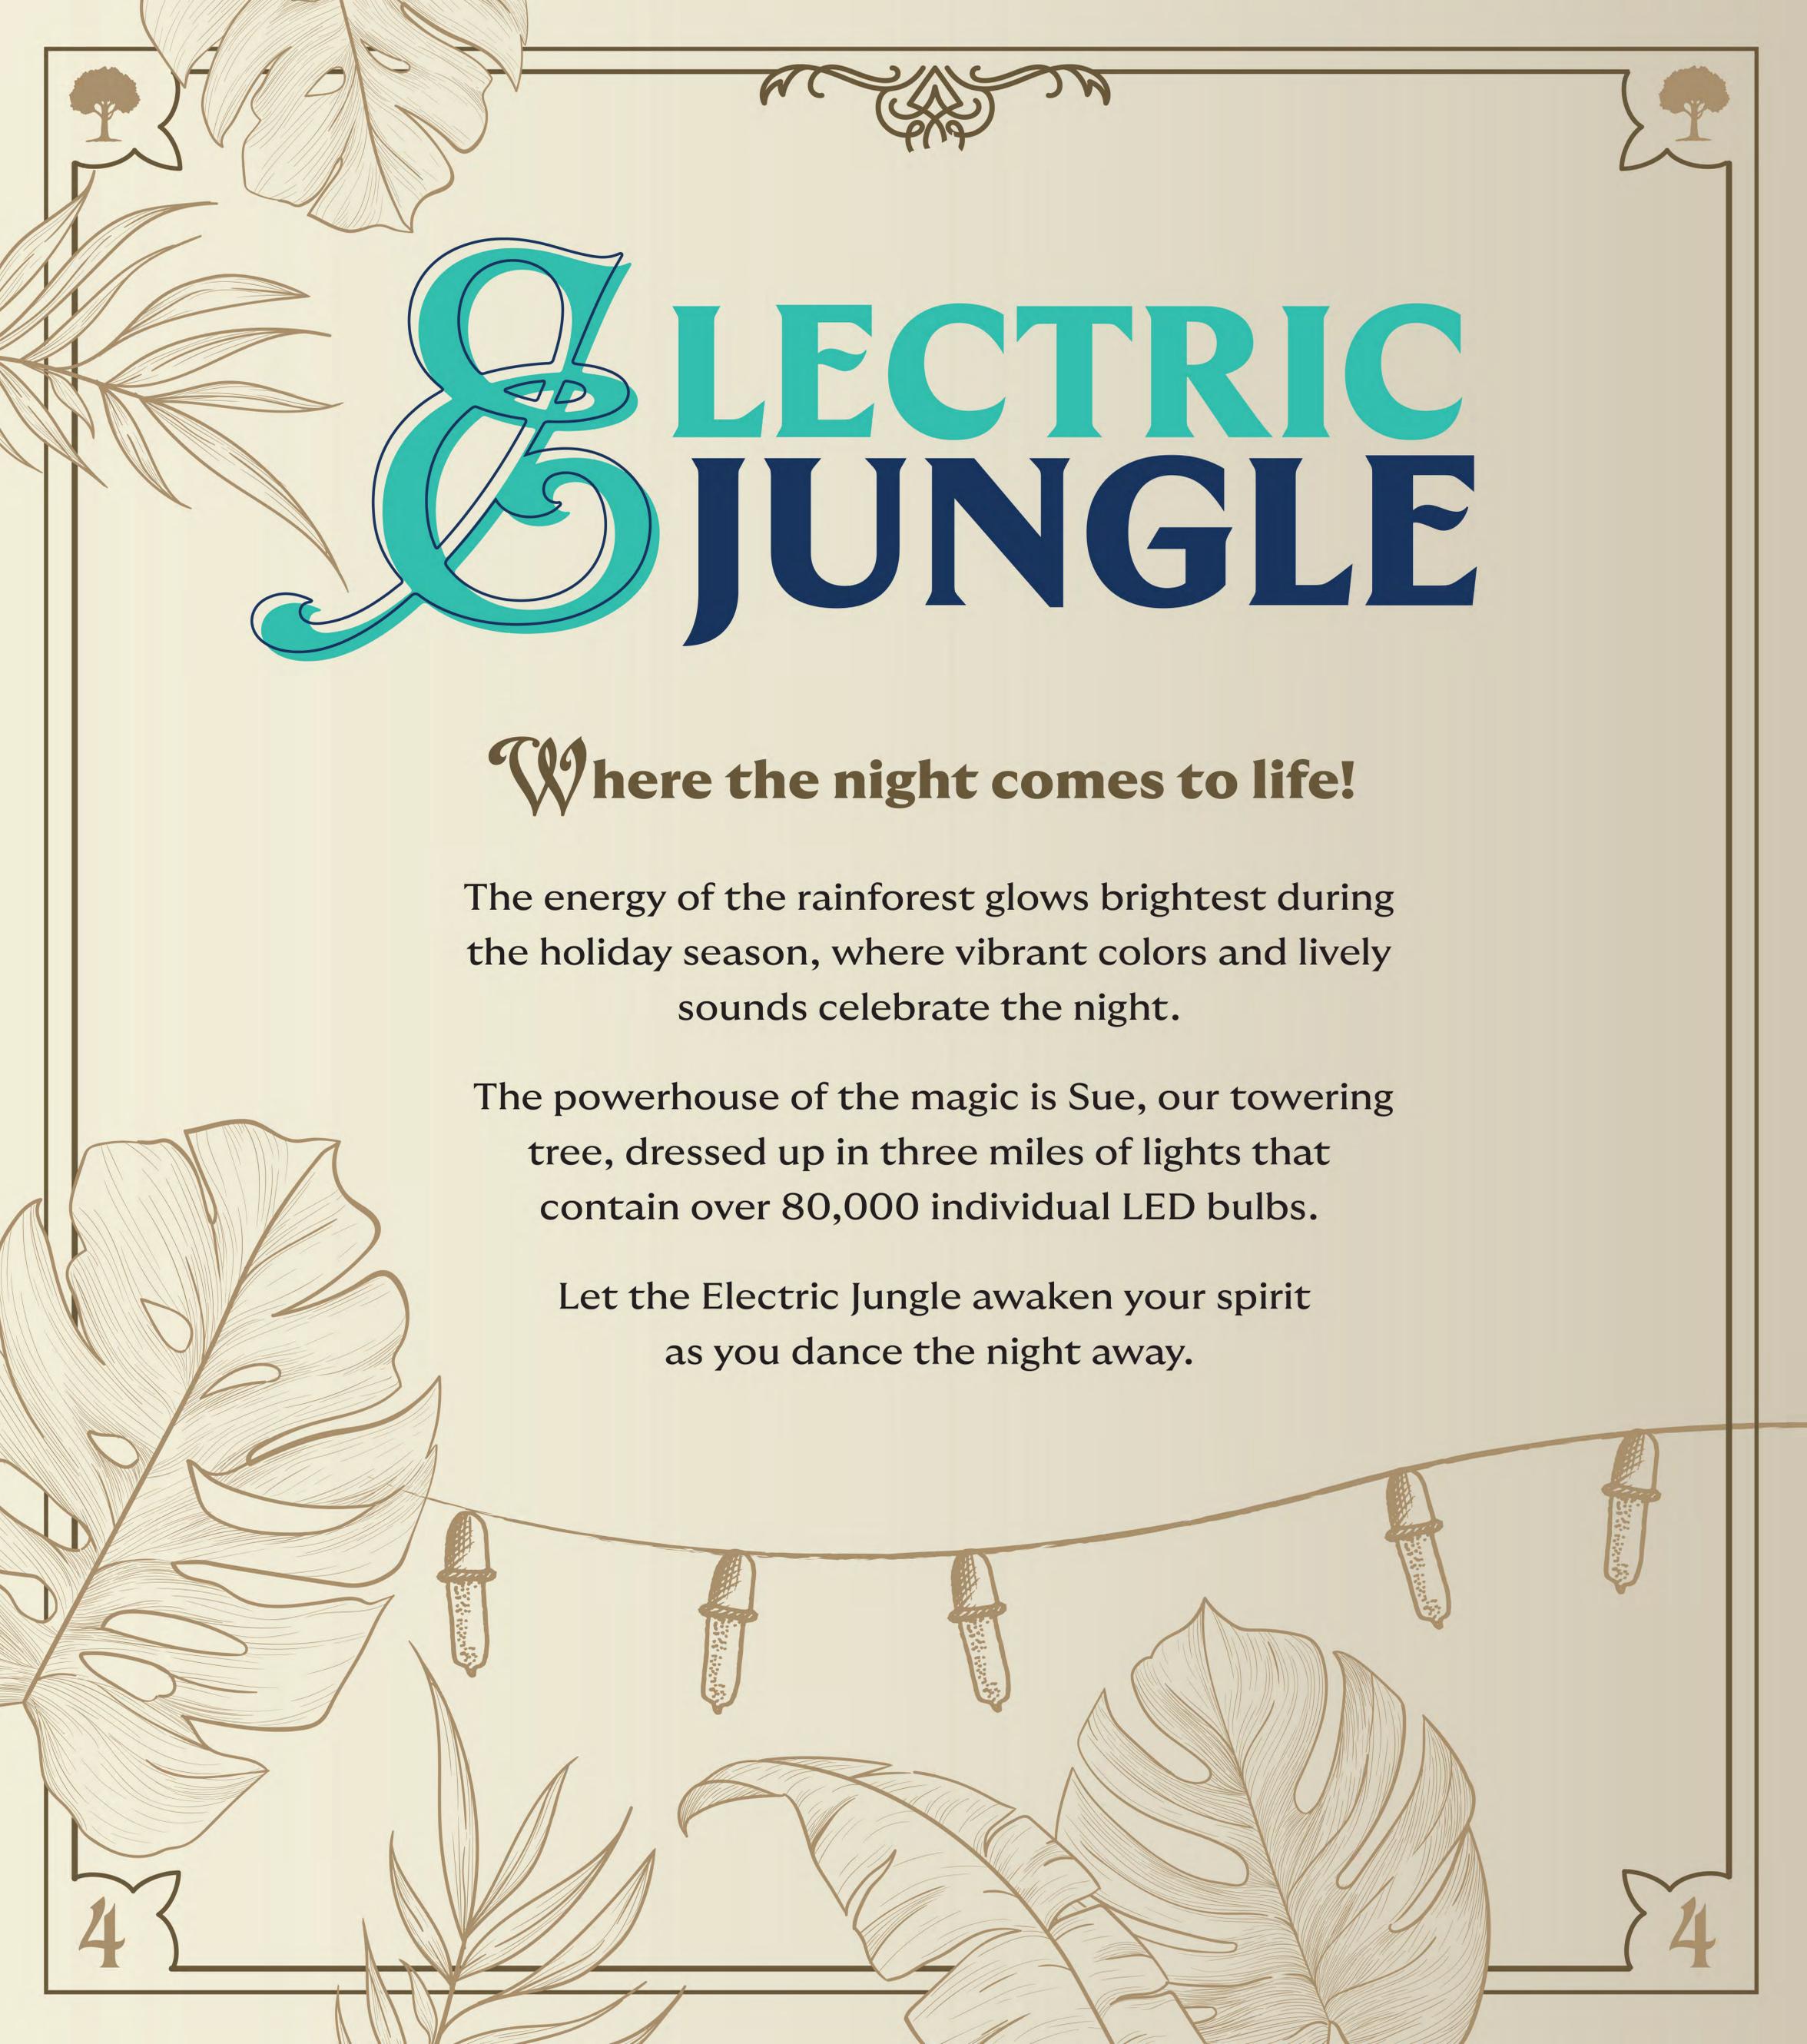

**A** colorful sky leads to a dreamy  
night as animals snooze.

As the sun sets on the African savanna, lions settle  
into their evening slumber and begin to dream.

Walk deeper into the night to see the starry sky  
and feel the quiet while the world sleeps.

Maybe you're dreaming, too?

# ELECTRIC JUNGLE

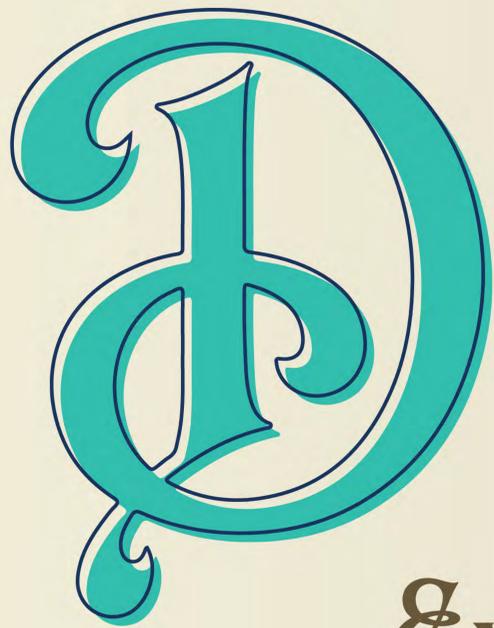

**Where the night comes to life!**

The energy of the rainforest glows brightest during the holiday season, where vibrant colors and lively sounds celebrate the night.

The powerhouse of the magic is Sue, our towering tree, dressed up in three miles of lights that contain over 80,000 individual LED bulbs.

Let the Electric Jungle awaken your spirit as you dance the night away.

# SMALL WONDERS OWN UNDER

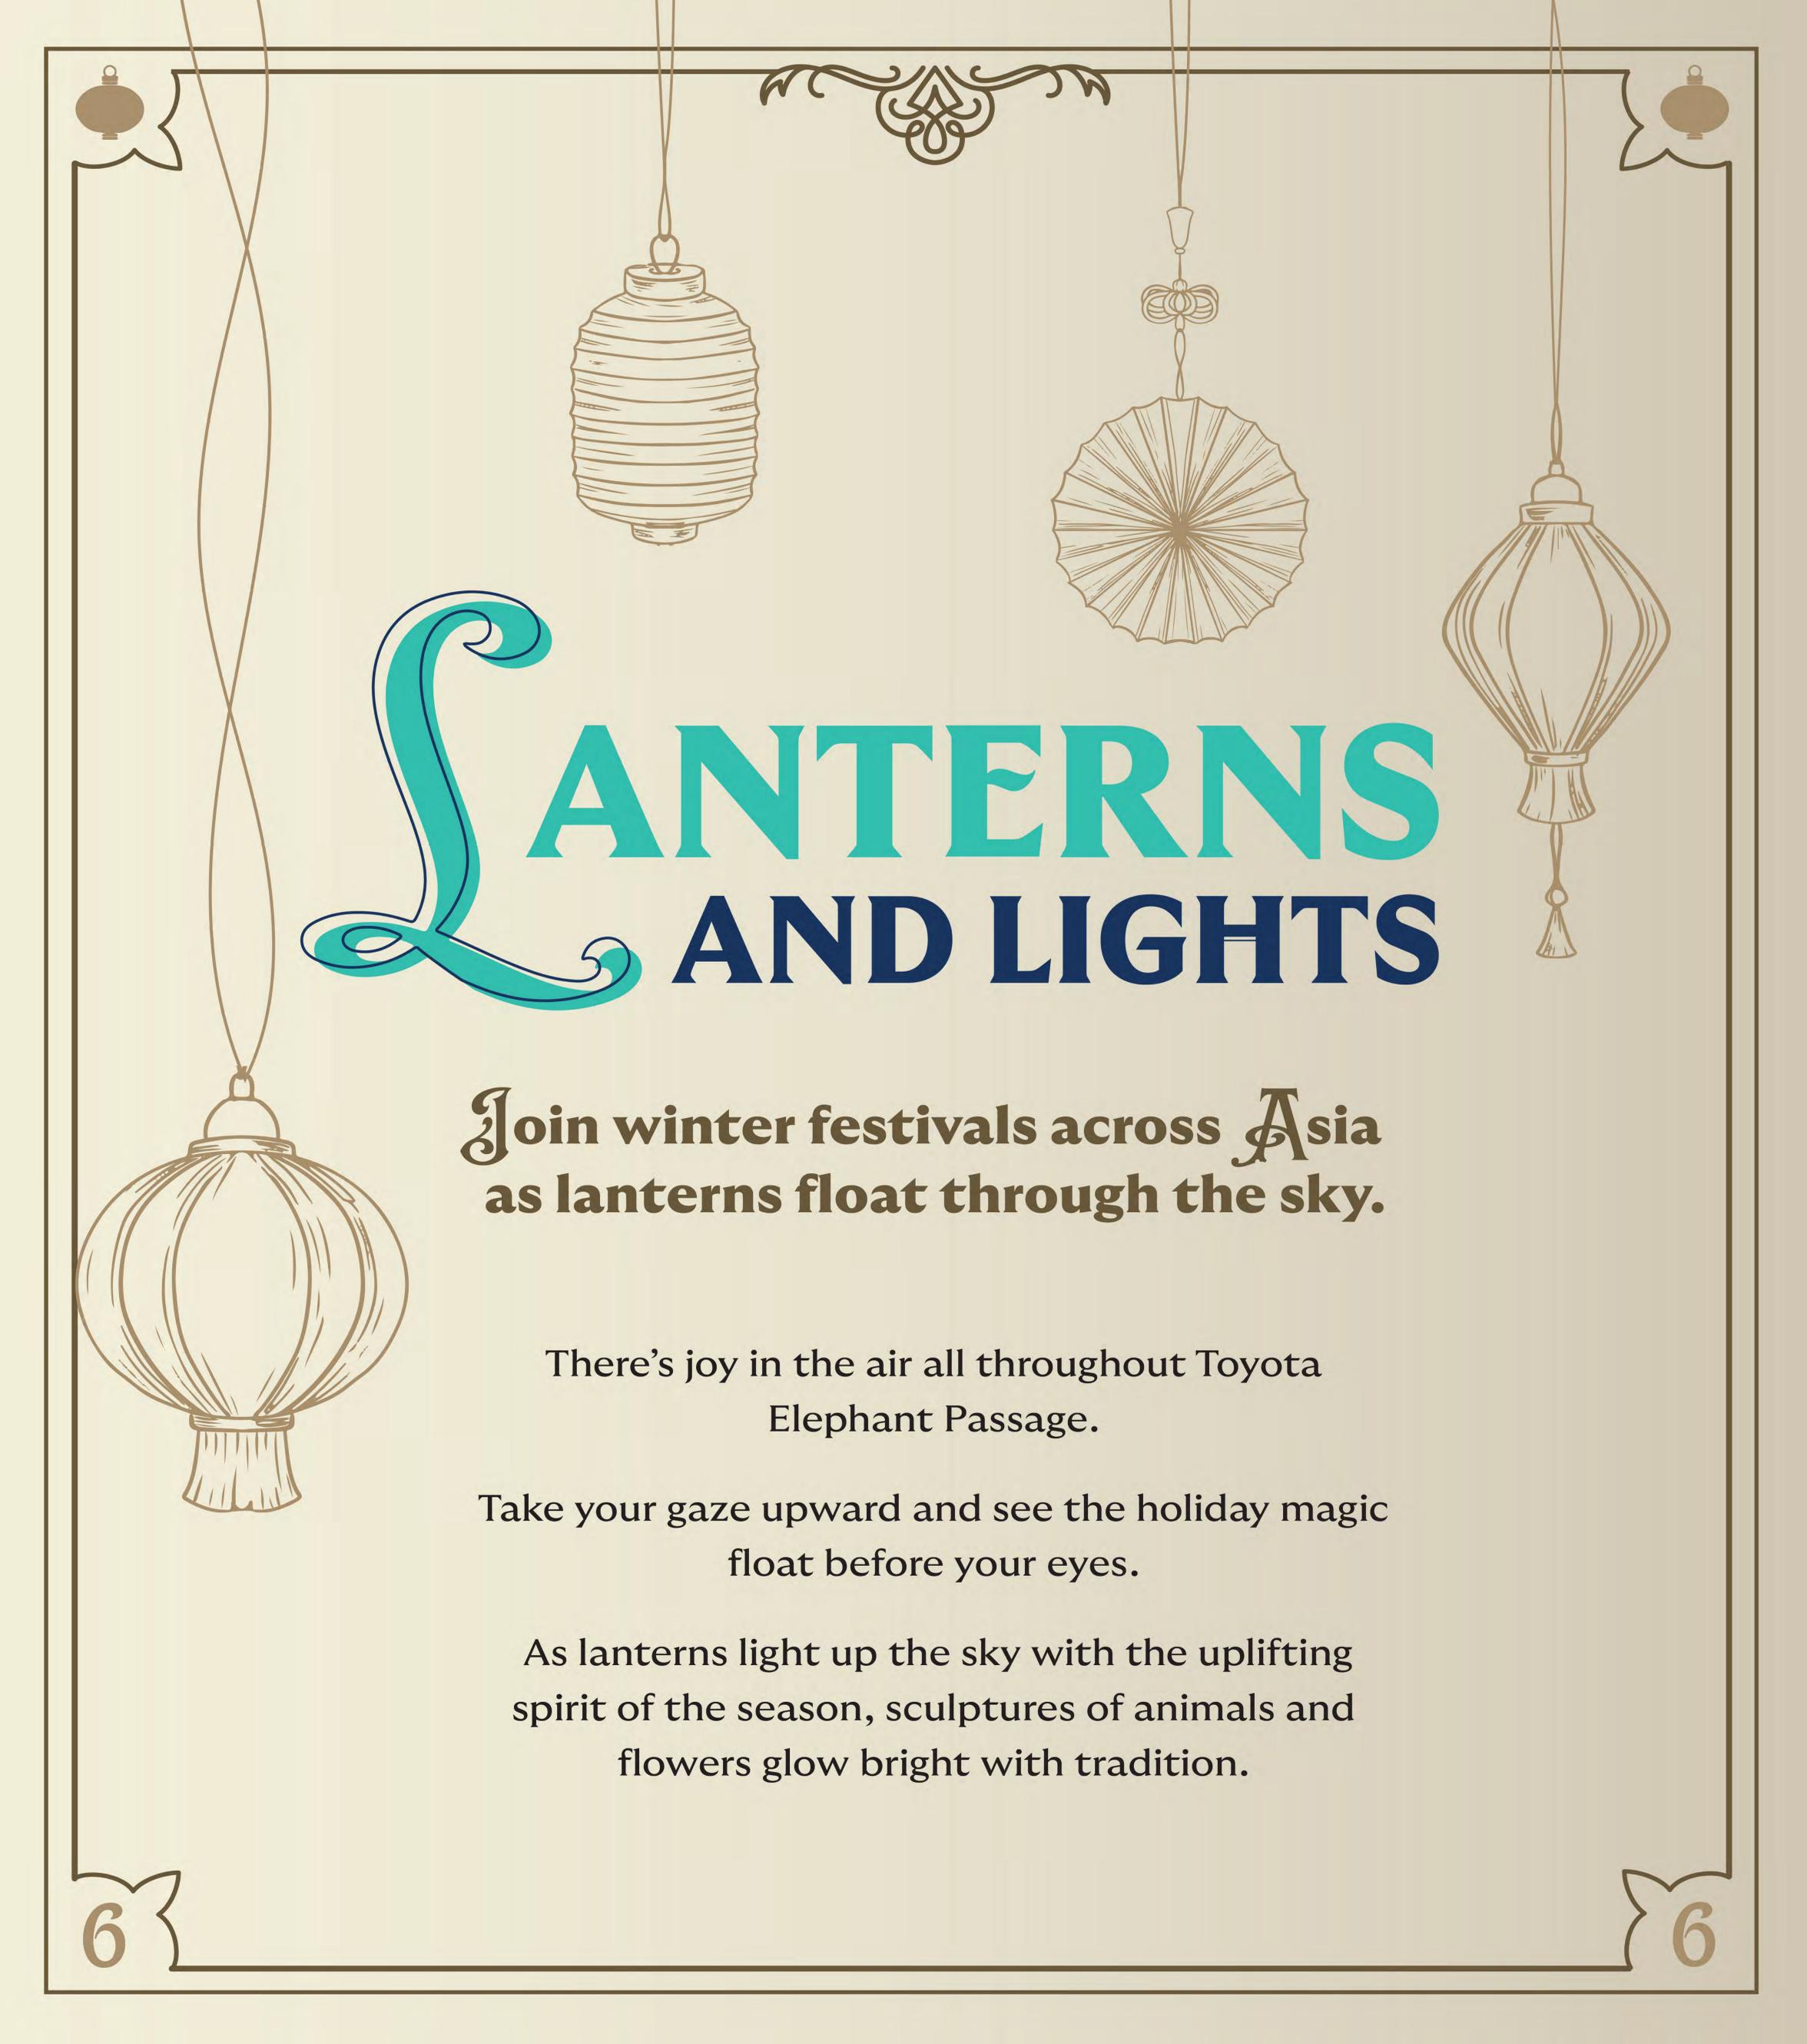

**Experience the world just like  
the smallest creatures among us.**

Are your eyes deceiving you? Are things a whole lot bigger? Or are YOU a whole lot smaller?

Conservation connects you to all living things, down to the smallest organisms. Experience Down Under from the itty, bittiest point of view.

Don't miss our "Tree-mu", a shaggy tree sculpture with foliage that resembles the body of an emu, the world's second-largest bird.

# LANTERNS AND LIGHTS

**Join winter festivals across Asia  
as lanterns float through the sky.**

There's joy in the air all throughout Toyota  
Elephant Passage.

Take your gaze upward and see the holiday magic  
float before your eyes.

As lanterns light up the sky with the uplifting  
spirit of the season, sculptures of animals and  
flowers glow bright with tradition.

# NORTHERN LIGHTS

**Follow the fox as it creates the  
Aurora Borealis in the night sky.**

Legend has it that an Arctic fox once ran so quickly that its tail swept across the sky, sparking the Northern Lights.

Near the end, our star tree reminds us of the wonders of looking up at the night sky, dressed with specialty lights and over 20 star lanterns.

# WONDERS OF THE ICE

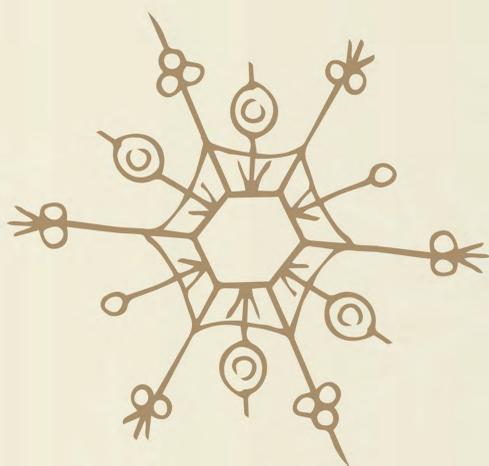

**Wander through frozen glaciers shimmering with moonlight.**

From one EDGE of the earth to another, icicles, stars and other spectacles of winter twinkle as you trek across a glacier during the darkest hours of the night.

As the frozen tundra glistens under the moon, the serene quiet adds a peaceful calm before the world begins to rise.

Can you feel it?

# SUNRISE SPECTACULAR

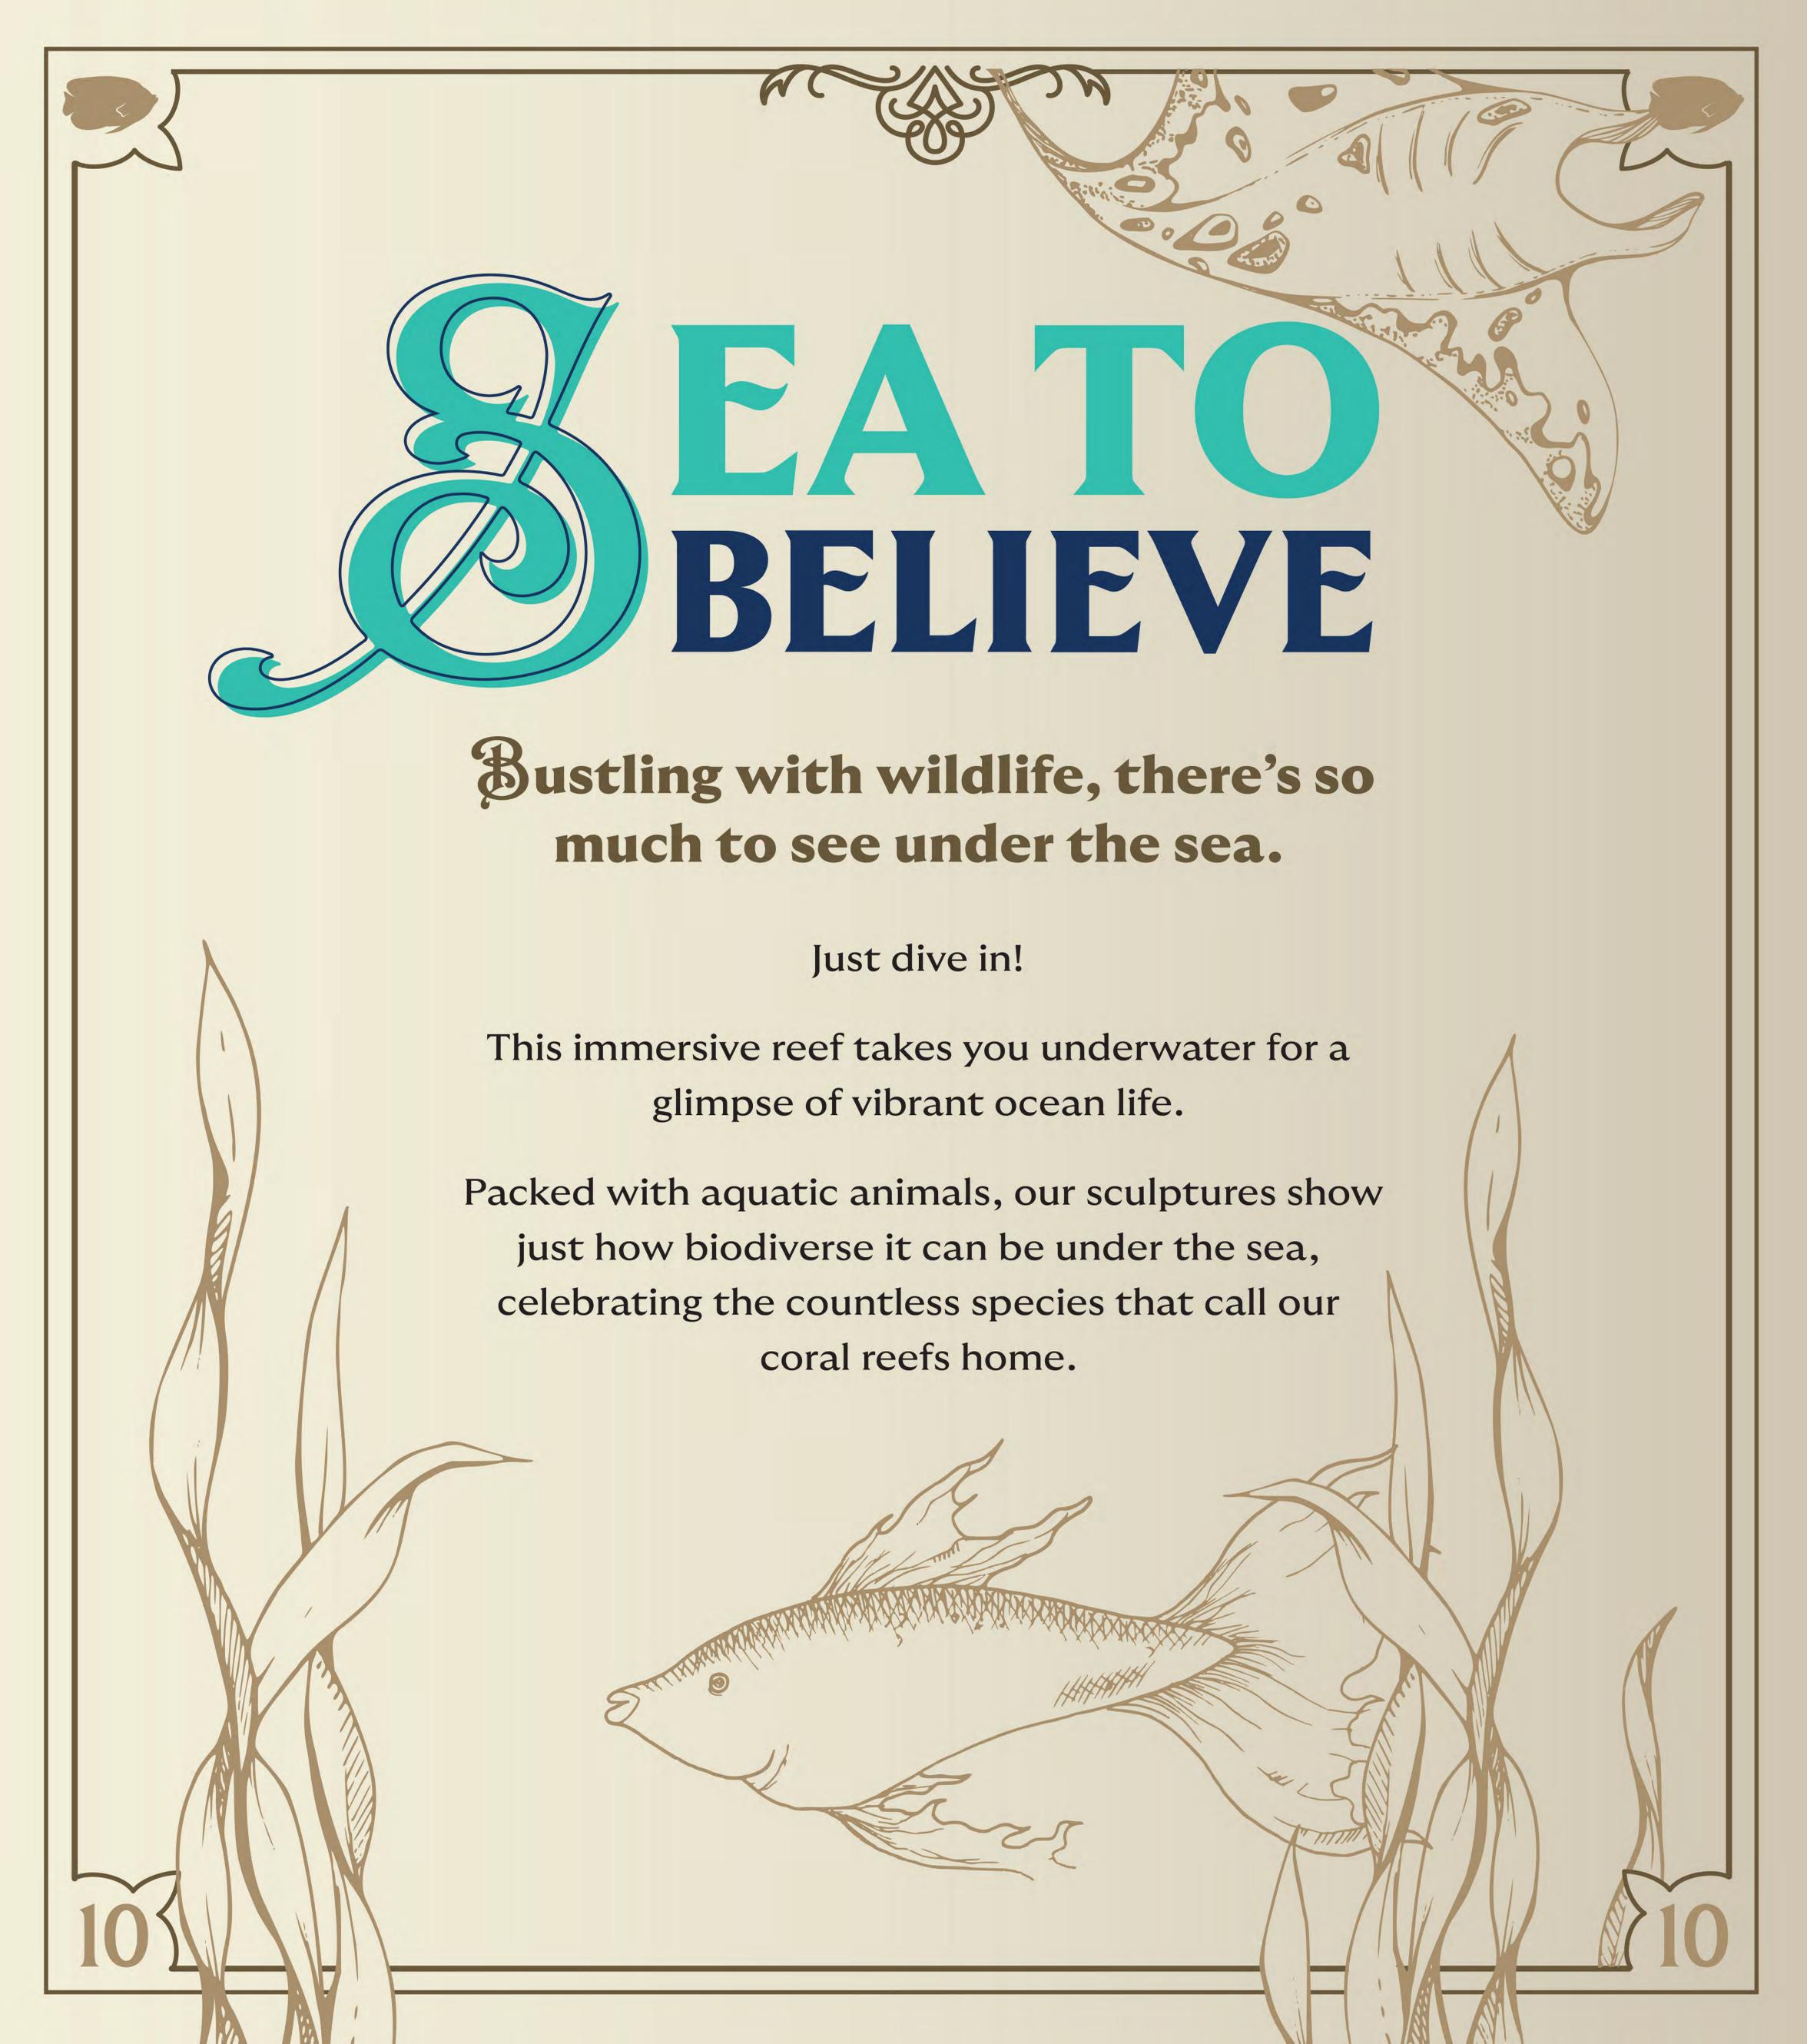

**Feel the morning sun light the sky  
as a new day begins.**

Rise and shine!

Feel the warmth of the sun as it grows brighter  
and brighter, bringing the night to a close.

Watch the morning sunrise glow above the Andes  
as you enter Tropical Discovery, and let the dawn  
of a new day lead you toward the colorful energy  
of the coast.

# SEA TO BELIEVE

**Bustling with wildlife, there's so much to see under the sea.**

Just dive in!

This immersive reef takes you underwater for a glimpse of vibrant ocean life.

Packed with aquatic animals, our sculptures show just how biodiverse it can be under the sea, celebrating the countless species that call our coral reefs home.

# GOOD TIDINGS TO YOU

**Feel the joy of the season wash  
over you like waves in the ocean.**

Oceans come together, penguins play, and home is  
where the heart is.

Zoo Lights helps us experience our precious planet  
through unique perspectives across land, sea and  
sky, inspiring us to make this world a better place  
for all living things.

From all of us at DZCA, we wish you the happiest  
of holidays!
