Conservation Camp: 6th & 7th Grade

Join Denver Zoo Conservation Alliance in its commitment to save wildlife in this special 6-8 grade camp. Meet DZCA conservationists and delve into the challenges, successes, and partnerships to save animals like the Lake Titicaca frog, cinereous vultures, and big horn sheep. Then take your knowledge on the road! Do your part to build a world where wildlife thrives by participating in REAL field conservation in Colorado. One or two days of this camp involves field trips doing conservation work in the Denver metro area.
