

Summer Safari

Zoo Engineers - Kindergarten & 1st Grade

Every animal needs a habitat. Take a closer look at the Zoo habitats of some of our favorite animal residents to discover how their spaces give them each what they need. If you built a Zoo, what would your animal habitats look like? We'll still need to ensure the animals get everything they need, so put on your Zoo engineer hat if you're up to the challenge!

Week Overview

*Daily Schedule Subject to Change. *Animal Ambassador subject to change based on animal needs**

	Monday	Tuesday	Wednesday	Thursday	Friday
Daily Theme	Habitat Necessities	Animal Enrichment	Social Needs	Unique Animal Needs	Camper Connections

Activities & Explorations	Down Under + Tropical Dsccovery	Primate Panorama + Train -or- Carousel	Stingray Cove + Toyota Elephant Passage	CITY PARK FOUNTAINS Lorikeet Adventure + Hospital	Nature Play Trail + Camper Choice

Reminders

- Camp runs in rain or shine. Make sure your camper is dressed for the weather.
- Campers are required to bring:
 - Backpack
 - Sack lunch + 2 snacks
 - Water bottle
- **Please note the day your child's camp group will take a walking field trip to the City Park H2O Odyssey Fountains.** While playing in the fountains, campers must keep their camp shirt and pants/shorts on – quick dry shoes and shorts are recommended on this day, but not required. Campers are welcome to bring a change of clothes, but are usually dry by the time we return to the zoo.
- Drop-off and Pick-up occurs at the Special Programs Entrance (Gate 1), according to their designated time window. You will need to bring an ID every day for pick-up.
 - Drop-off: 8:45-9:15 AM
 - Pick-up: 3:45-4:15 PM
