

Summer Safari

BioMimics - 4th & 5th Grade

Some animals are stealthy; others have extraordinary healing capabilities, but the best of the best copy and duplicate the remarkable abilities found in others! Explore some of nature's bio-mimics and learn how people use animals as inspiration. Why are the extreme durability of a rainforest seed important for saving elephants? Imagine how you'd incorporate the best adaptations of animals into something that can help us all!

Week Overview

*Daily Schedule Subject to Change. *Animal Ambassador subject to change based on animal needs**

Reminders

- Camp runs in rain or shine. Make sure your camper is dressed for the weather.
- Campers are required to bring:
 - Backpack
 - Sack lunch + 2 snacks
 - Water bottle
- **Please note the day your child's camp group will take a walking field trip to the City Park H2O Odyssey Fountains.** While playing in the fountains, campers must keep their camp shirt and pants/shorts on – quick dry shoes and shorts are recommended on this day, but not required. Campers are welcome to bring a change of clothes, but are usually dry by the time we return to the zoo.
- Drop-off and Pick-up occurs at the Special Programs Entrance (Gate 1), according to their designated time window. You will need to bring an ID every day for pick-up.
 - Drop-off: 8:45-9:15 AM
 - Pick-up: 3:45-4:15 PM
